FAQ

Do you deliver?

We offer delivery on a case by case basis. Delivery costs are based on a flat rate of \$20 + round trip mileage from our bakery to your venue.

Do you have gluten-free or vegan options?

Yes! We offer both gluten free or vegan options for cakes and other desserts. However, we are not a dedicated gluten-free or vegan facility so there is always a risk for cross contamination but we take careful precautions whenever we make gf or vegan treats!

Do you provide cake stand/display items?

We do not have cake/display stands for rent; typically we rely on the customer or caterers/venue to provide any display items they want to use.

Do you provide flowers?

We are happy to add flowers if they are provided by the florist! We can also leave space so the florist can add the flowers themselves day-of.
